A glamorous home for an exciting new life style. A covered porch leads to a dramatic double door entry. Eye-opening enchantment greets you. A spectacular open stairway is the focal point. Through the airy design you'll have a sweeping view of a magnificent living room with a recessed conversation lounge and stunning wood burning fireplace. this unique recessed area provides an intimate spot for some worldly conversation, a tall cool drink or meditating in front of a cozy fire. It's a stunning room-within-a-room, without walls. A large expanse of living room affords more imaginative room arrangements.

The formal dining room has sliding insulated glass doorwalls leading to your enclosed rear yard area. Plan a patio or a garden spot and extend the living outdoors! A breakfast or serving bar divides the dining room from the excellently planned kitchen with L-shaped work counters.

A powder room with vanity and wall-wide illuminated mirror serves guests and family. Upstairs... three great sized bedrooms and two full baths. The master bedroom has a huge walk-in closet and its own bath with ceramic tile floor and enclosed stall shower. A second bath with easy to care for ceramic floor and tub area and vanity serves the other two large bedrooms.

The Glasgow has your own centrally controlled air conditioning, insulated windows and a full basement with laundry tub. If you enjoy exciting contemporary design... you'll love The Glasgow.
